

WHO ARE OUR SPONSORS?

Our sponsor program started with 40 sponsors when our program began in 1999. Now, more than 750 individuals, groups of friends, organizations, and schools work together as Student Sponsors and Hanley’s Helpers to support, motivate, and encourage 500 Safe Passage students.

Your investment

When you add up the costs of all the holistic programs we provide for all our students each year, the **total per child per year equals \$3,000**. Sponsors help offset our investment in education, meals, and social support for all of our students, regardless of their sponsor status!

SPONSORSHIP

WHY DO SPONSORS MATTER?

Our children and families live in one of the poorest communities near the Guatemala City garbage dump, one of the largest landfills in all of Central America. Sponsors help give all students:

- » Holistic, hands-on education and activities
- » Daily nourishing meals and snacks
- » Healthcare through our partner, Shared Beat
- » Personal encouragement and support
- » School supplies, books and uniforms
- » Training for our teachers and staff
- » Enrichment programs (music, art, sports)

Guatemalan public schools offer schooling only **4 hours each day**. Safe Passage gives students access to full-day education.

Why now?

We’re expanding our full-day accredited school to better meet the needs of our students. We’re hiring additional qualified teachers, reaching more students, implementing progressive curricula, and growing our community impact.

Our full-day program offers the opportunity for us to address extreme poverty at a much deeper level. **Your donations keep our program thriving.**

Join our global community and change the lives of 500 children in the Guatemala City garbage dump community.
